Benefits & Features

- Engineered for class-leading comfort and shock absorption with Kumho's exclusive ESCOT casing.
- Excellent fuel economy and a long tread life — the result of a dual silicone compound engineered to cool quickly. It runs colder, lasts longer, and improves fuel efficiency.
- Exceptional grip and stability in heavy rain and snow. Four, deep center grooves channel water away quickly.
- Engineered for traction on ice, with tiny waffle sipes creating thousands of small gripping edges.
