

Developed for today's sports-minded cars and CUV's, the SA07 Performance Touring tire is an all-season high performer ready to enhance your driving experience. It has four wide circumferential grooves and tread blocks with cross siping to improve wet traction and promote even treadwear. The center rib provides a contact patch to promote stability and responsive handling for improved traction and cornering.

Load Index: 92
Speed Symbol: W
Load Range: XL
Sidewall: BW
Treadwear: 460
Traction: A
Temperature: A
Tread Depth: 10
Approved Rim Width: 8
Section Width In: 9.1
Overall Diameter: 25.1
Max Load (Single): 1389@51
Tread Expectancy: 45000
Weight: 23.2
Road Hazard: N

Benefits & Features

IMPROVED TREAD LIFE

- Symmetric all-season tread designs simplify tire rotation options for better wear and tread life

ENHANCED CONTROL AND STABILITY

- Rigid, siped, center rib enhances lateral stability and control through continuous tire-to-road contact

INCREASED GRIP AND TRACTION

- Cross-grain siping pattern increases traction by creating extra surface area for enhanced grip

OPTIMIZED WET TRACTION

- Four circumferential grooves optimize water evacuation for enhanced wet traction

REDUCED NOISE

- W-speed rated performance, ideal for OE replacement

WET TRACTION

- Tread designed for optimal road noise reduction

ALL-SEASON

- Touring tread pattern provides excellent year-round performance

Warranty

The Westlake RP18 comes with a 45,000 mile warranty. Click [here](#) for details.
