

The next evolution of the all-season tire is here. The new WeatherPeak is designed with open shoulder slots for better grip and driving control in wet and dry conditions – giving you a smooth, quiet ride any time of the year. And it's 3 Peak Mountain Snowflake Certified to offer improved winter braking power, stopping 30 feet shorter than the competition*. With WeatherPeak, you'll enjoy every mile of your journey in complete comfort – with the confidence that a little rain or snow won't slow you down.

*Comparison based on the Bridgestone WeatherPeak tires vs. the MICHELIN® Primacy Tour A/S tires from internal testing. Results may vary depending on proper tire and vehicle maintenance, road conditions and driving habits.
